Tennis is the “perfect first sport” for children. Let us introduce tennis to your little one in a fun and creative environment. Not only will your child develop wonderful tennis skills, your child will improve vital hand-eye-body coordination necessary for an active life.

Tiger Tot players will use red foam balls on a shortened court of 36 feet and play with an appropriate sized racquet. Our professional staff will happily guide you to purchase the correct racquet for your budding player, typically 17", 19" or 21" racquets will be recommended.
